

EMPOWERING THINKERS OF TOMORROW

2024 PRIMARY 3 & 4 PROGRAMME BROCHURE

ENTER A STUDENT, DEPART A THINKER.

Think Teach Academy is a leading education academy that embodies the core philosophy of teaching and thinking smart.

Our students are empowered to learn effectively by asking the right questions, exploring different methodologies and challenging the norms. With a revolutionary curriculum that reflects our philosophy and a stellar team of teachers who champion it, we are excited to nurture the next batch of thinkers and compose yet more stories of success.

If your child is in primary school and looking for a quality education academy to journey with towards the PSLE, you have come to the right place. We are the PSLE Powerhouse.

OUR PROGRAMMES

ENGLISH

Our Full English Programme covers every single component of the English examination.

We conduct immersive and interactive lessons which help our students develop a love for the English language. We also teach our easy-to-remember techniques to approach examination questions.

We will also cover Continuous Writing that draws inspiration from our famed Storyline Approach which will stretch your child's creativity with our flexible and interesting storylines.

MATHEMATICS

Our Mathematics classes are all about building a strong foundation in numeracy, data analysis and critical thinking skills that sets your child up for success in life.

Through interactive and immersive lessons that are highly engaging, we ensure your child learns well the concepts required by the syllabus and develop the critical skills required to ace their examinations.

SCIENCE

Our Science classes focus on a complete mastery of content through interactive and immersive lessons. With exam questions now requiring cross-topical content knowledge, the aim is for students to not just master concepts in one given topic but also understand how different topics are linked together.

Our Science classes are highly popular for two reasons:

- (1) Our aesthetic in-house science notes that are comprehensive, exam-centric;
- (2) Our results-proven templated answering structures help students score maximum marks for application questions.

ATTENDANCE & MAKE-UP LESSONS

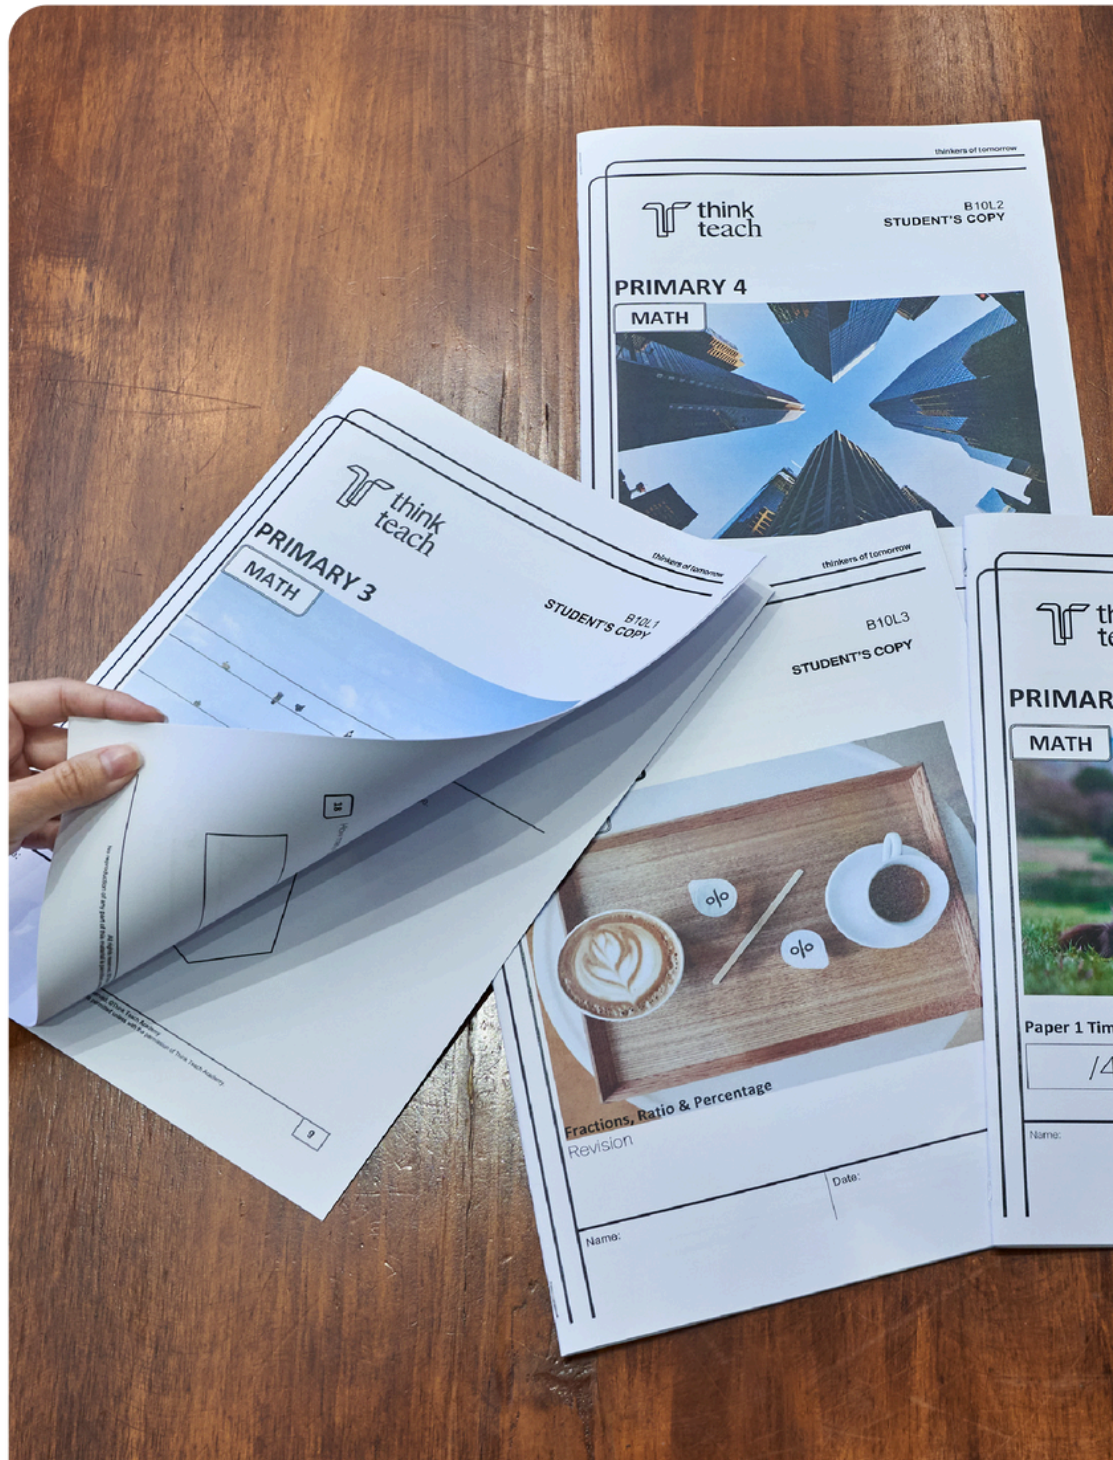

Make-up lessons have to be taken within the same week as the missed lessons.

If a student is absent with a valid reason (as determined solely by the Academy), fees paid WILL NOT be refunded but that student can attend a make-up session arranged by the Academy in the same week he/she was absent at either branch or a make up online class. In the event the student is unable to attend that make-up session, that student will be provided with the lesson recording for that week's class, and worksheets that were covered during the class he/she had missed.

AY 2024

IN HOUSE ASSESSMENTS

INTERNAL ASSESSMENTS

AY 2024

Test	Level	Block & Lessons	Dates
Continual Assessment	P3-P6	Block 4 Lesson 3 - Block 5 Lesson 1	8 April - 29 April 2024
End of Year Examinations	P3-P5	Block 10 Lesson 3 - Block 11 Lesson 1	23 Sept- 20 Oct 2024

INTERNAL ASSESSMENTS:

Every term, TTA conducts an internal assessment 2 weeks before your child's term assessment at school.

This allows your child to consolidate what they have learnt and identify areas for improvement that need to be addressed before your child takes on their term assessment at school. These are the dates where TTA conducts the internal assessments.

STUDENT PROGRESS REPORTS:

As we monitor closely your child's academic progress with TTA on their journey to PSLE success, we will present a student progress report to all parents at the middle and at the end of the year.

This report will record the examination grades attained by your child at both TTA and his/her school assessments, and personalised feedback from your child's respective TTA teachers on how to attain better grades in their subsequent school assessments.

BLOCK DIAGNOSTIC QUIZ

AY 2023-2024

Test	Dates
Foundation BDQ	11 December - 17 December
BDQ 1	22 January - 28 January
BDQ 2 (CA1: Graded)	19 February - 3 March
BDQ 3	18 March - 24 March
BDQ 5	13 May - 19 May
BDQ 6	10 June - 16 June
BDQ 7 (CA2: Graded)	8 July - 21 July
BDQ 8	5 August - 11 August
BDQ 9	2 September - 8 September

BLOCK DIAGNOSTIC QUIZ (BDQ):

Our Block Diagnostic Quiz (BDQ) will be conducted at **the end of every Block of 4 lessons**, in a less formal way that quizzes students on topics covered in the past 3 weeks. These will support students in a more consistent and regular fashion, preparing them for their school's formative quizzes and weighted assessments as and when they may be scheduled.

FEES

LEVEL	PRICE PER 4 WEEKLY CLASSES/SUBJECT (inclusive of GST)
Primary 3 & 4 (English, Math, Science)	Classroom: \$320
	Online: \$270

DISCOUNT STRUCTURE:

We are pleased to inform you that for Academic Year 2024, we will extend a discount of:

10% for 3 subjects

This discount will apply automatically to fees for weekly lessons with us in Academic Year 2024 and is not applicable in conjunction with any other discounts or promotions

IMPORTANT NOTES

REGISTRATION FEES:

There will be a one-off \$60 registration fee for every student who enrolls with us.

HIATUS FEE:

A one time payment of \$40 hiatus fee can be applied to pause lessons whilst reserving the seat in the class for your child. If the reserved seat is the last seat in the class, you will be notified and given the option to resume lessons or risk losing the seat to a new student.

DEPOSIT:

There will be a \$360 (Inclusive of 9% GST) refundable deposit that will be used for the student's last 4 lessons with us in the event of student graduation or withdrawal.

Any outstanding balance will be refunded by the student's last lesson with us.

PAYMENT

Each block comprises 4 - 6 lessons. For every subject a student is enrolled in, the Academy collects term payment in fixed groups of 4-6 lessons, as the case may be.

Fees are payable at the beginning of every block.

Payment must be made before student is eligible to attend the course for that group. Rates may be pro-rated where necessary and as determined solely by the Academy.
